List price: 189.21 €

incl. 19% VAT.

Description:

Flightcase for 483 mm units (19")

The Mixer Case Profi from ROADINGER is suitable for all your 483 mm devices such as controllers and mixing consoles with 12 U. The diagonally adjustable profile rails and the removable lid allow you to operate your device from above. So you can leave your equipment in the case when in use.

The high-quality workmanship of the flight case with 6 mm wall thickness, aluminium profile frame with rounded corners and three-legged, medium-sized steel ball corners ensures high stability.

In addition, the flight case is equipped with a padded carrying handle and two high-quality, lockable butterfly locks. The four steel reinforced rubber feet provide the necessary standing security for the case.

Features:

- Upward tiltable profile rails for top-operated units
- High-quality workmanship with plywood multi-layer glued 6 mm, black, laminated
- Removable cover
- Aluminum profile frames 25mm with rounded edges
- Rugged carrying handle
- 2 high-quality butterfly locks with shut-off function
- Rubber feet
- With profile rails suitable for 19" units
- 12 U
