Description:

Flexible tube for decorative lighting

The flexible light tube EUROLITE Rubberlight RL1 is suitable for the realization of your ideas for the creation of writings, forms, shop window decorations and party rooms. You can use the 44 meter long Rubberlight inside as well as outside because of the IP44 rating.

The small lamps glow in green, red, blue and orange-yellow. Because of the plastic round material, the lamps are always well protected. In addition, you can cut the light tube completely to your needs and always after 36 lamps (1 m distance).

In the included accessories you will find 50 mounting clips and 50 cable ties for easy installation.
