Description:

Bring a touch of Provence to your home with artificial lavender composition from Europalms: The arrangement consists of a decorative flower pot, in which an artificial lavender plant with grass has been arranged. Its beautiful flower panicles are of different heights and richly decorated with blossoms. The velvety leaves have also been reproduced in detail from the natural model. A special feature are the bright, cream-colored flowers, which give the plant a particularly elegant touch.
The artificial plant has a total height of about 45 cm and finds its use mainly as a stylish table and counter decoration.
