
SOMMER CABLE Câble d'instrument 100 m noir The Spirit
Spirit 300-0051 SOMMER CABLE

Réf. : 30300716
GTIN: 4049371002097

L'article n'est plus disponible.

Description:

The SC-Spirit has a thick insulation between wire and shielding. This improves the capacitive values and ensures a loss-free treble reproduction even with longer cables. To avoid crackling and hum interference we use a special conductive carbon screen and a copper mesh screen. When soldering make sure that the carbon shield and the inner conductor do not touch. Your audience will be surprised at the sound of this cable!

Logistique

EAN / GTIN: 4049371002097
Poids: 6,00 kg
Longueur: 0.23 m
Largeur: 0.23 m
Hauteur: 0.16 m

Caractéristiques:

- High-quality instrument cable
- With Neutrik plugs from Liechtenstein
- Sommer Cable SC-SPIRIT cable from German production
- Incredibly punchy and clear sound with bass, guitar and keyboard due to our special litz stranding and a wire cross-section of 0.50 mm²
- Dual shielding by a combination of a copper mesh screen plus conductive carbon screen
- Low-loss transmission due to low capacitance
- Very flexible and easy to reel because of its fine single litz design
- Extremely durable and sturdy due to a special high-quality PVC jacket compound
- Strain relief and good sleeve support due to thick PVC jacket
- High-quality guitar cable for studio and stage
- Unbalanced cable for keyboards, samplers, mixing desks etc.
- Connection lead for CD/DVD player/recorder
- Made in Europe

Données techniques:

Conception du câble:	1 x 0,5 mm² câble d'instrument
Longueur du câble:	100 m
