Description:

This LED strobe is equipped with 8 x 20-watt RGB COB LEDs and combines strobe and blinder effects. It lets you create both dynamic stage shows and the more low-key effects in between with a single fixture.

You can choose from three different operation modes: master-slave, stand-alone and DMX mode (7 DMX channels). The integrated microphone makes for great light effects to the rhythm of the music.

The fixture has 3-pin DMX connectors as well as an IEC input to connect it to the mains.
