AS-1500 Active system, 1500 w

Powerful active system

Art. No.: 11038820

GTIN: 4026397214093

Features:

- Powerful bass and brilliant treble united in one set
- Satellite-system consisting of two tops and one subwoofer
- Due to compact transportation size ideal for solo entertainers, mobile discotheques and small bands
- Easy transportation via two swivel castors and two fixed castors
- Easy-to-use complete system with amplifiers, equalizer, limiter and passive 2-way crossover
- Ground Lift-switch against humming
- Many protection-circuits for optimized equipment-protection: opto-limiter and subsonic filter for protection from extremely low frequencies
- Constant directivity horn with coil-driver
- Tops with passive 2-way crossover
- Powerful, dry bass via voluminous housing with bass-reflex-system
- Balanced frequency range with high sound-pressure
- Very high durability
- Speaker connection via lockable Speaker-plugs
- Housing made of 15-mm (top) or 18-mm (sub) plywood
- Scratch-resistant lacquer surface
