

OMNITRONIC MIC SHC-2 Gooseneck Microphone

Electret gooseneck microphone

Art. No.: 13030926

GTIN: 4026397621440

List price: 71.28 €

incl. 19% VAT.

Description:

The SHC-2 gooseneck microphone is specially designed for conferences, public speeches and lectures. It is equipped with a back-electret condenser capsule for bright and clear sound and guarantees excellent speech intelligibility even at greater distances. Delivery includes a switchable desktop base. The base uses a standard balanced XLR connector. Operation is possible via phantom power or 9 V battery.
