

### Description:

Are you planning a motto- or Halloween party and still looking for a stylish decoration for the appropriate, eerie atmosphere?  
Our Halloween sets in different variations and sizes are the ideal basis for your chosen theme. Ghosts, witches, pirates and matching accessories will inspire your guests.  
You determine the creep factor yourself.  
Pumpkins, skulls and spider webs are a must for any Halloween decoration.  
With the selected products of the Europalms BASIC set, the foundation is laid for a children's party, even if the cuddly horror rabbit is trying to frighten all visitors with his diabolical laughter and wild wriggling.  
The animation is started by an integrated microphone or a wired remote control.
