Description:

Flightcase for 483 mm units (19")

With the ROADINGER Mixer-Case Profi, your devices, such as controllers or mixing consoles, are always well stored. The angled profile rails, which are inclined at an angle of approx. 13°, ensure optimum operation of the unit from above.

The necessary stability is provided by the aluminium profile frame with rounded corners and the four steel-reinforced rubber feet. You can close the case with two high-quality butterfly locks. The interior of the mixer case has a foam padded interior so that your appliances are always optimally protected. The cover is removable.

The maximum load is 25 kg.
