Description:

Portable and colorful? The BEK-10 makes it possible!

This beam effect by Eurolite is completely battery-operated and includes various preset programs to make your party a visual highlight.

The particularly compact and lightweight device comes equipped with one energy-saving 10-watts 4in1 LED in the colors red, green, blue and white covering floors, walls and ceilings in all desired colors. Thanks to the easy-to-use mounting bracket you can mount the BEK-10 wherever you see fit.

The modern LED technology makes the device so energy-efficient that it can be operated for up to four hours before having to be recharged with the supplied PSU. A microphone is integrated as well so that the rhythm and color of the impressive light patterns adjust to the rhythm of the music. Strobe effects, slowly fading colors or rapid color changes for more fast-paced songs - this beam effect has it all!
