

EUROLITE LED PK-3 TCL Spot

Small spot with 6 LEDs and RGB color change

Art. No.: 42110210

GTIN: 4026397601053

The article is no longer in our assortment.

Description:

Cool, colorful & quiet

Simply brilliant: With its six bright LEDs, the small PK-3 TCL Spot paints your party room in vibrant RGB colors, either fully automatically or to the rhythm of the music.

The device is ready to use, works without a fan and thanks to modern LED technology, it is also particularly energy-saving. And of course, the PK-3 TCL is delivered ready for connection and with a practical carrying handle - all you have to do is unpack and switch it on!

Features:

- Adds fun to your party rooms
- 6 bright RGB LEDs project bright colors in your room
- Easy plug-and-play operation
- Auto mode and sound control
- Lightweight plastic housing
- Carrying handle
- 6 powerful LEDs high-power 3in1 TCL RGB (homogenous color mix)
- The device is cooled by passive convection cooling
- Control via stand-alone
- With a beam angle of 20°

Package contents

- 1 x spotlight, 1 x user manual
