LED Neon Flex 230V EC white 6400K 100cm

Flexible tube with Neon LEDs for decorative lighting

Art. No.: 50499505

GTIN: 4026397539912

Features:

- Inexpensive economy version of the successful LED Neon Flex
- LED Neon Flex creates the effect of conventional neon light
- No complicated installation, no fragile glass nature, no potential shock hazard, no high maintenance costs and no high power consumption
- Built of optimally protected LEDs in a full-plastic round tube which is extremely flexible and can be bent in any radius as small as 4 cm
- One roll contains 50 cuttable pieces with 100 cm each
- You can order as many pieces of the given length as you like, up to a maximum total length of 100 m
- Please specify the desired length when ordering
- Price per segment (100 cm)
- Cutting also possible directly on site
- Cut it on the cutting mark, connect the power cord and endcap, and your new neon light effect is ready to use
- Extensive accessories available; power cord and installation materials must be ordered separately
