Description:

That certain something!

Brooches, necklaces or earrings dignify people who wear them and help them to stand out of the ordinary mass. This is similar to our LED DWL-4 sconce, but instead of persons there are stairways, corridors, hallways or showrooms have that certain something. Firstly, because of a pleasant and evenly distributed radiance, that is realized with the special construction of the light cylinder. And secondly, due to the attractive appearance of the lamp itself. The sconce is available in red, blue, green, yellow, RGB and in two different white color temperatures. The special touch for your premises, you just have to go and get it!
