

EUROLITE LED D-25 Beam Effect

Color intensive beam effect with 6in1 LEDs in RGBWA+UV

Art. No.: 51918664

GTIN: 4026397530308

The article is no longer in our assortment.

Description:

The LED D-25 by Eurolite is a classic derby beam effect with two high-power 18-watt hex-color LEDs that generate intense RGBAW mixes and blacklight.

The device works with a preset program which can be played either fully automatically in automatic mode or sound-controlled via the integrated microphone. The emanating beams then move in circles and change their direction with each bass beat.

Changing color patterns, strobe effects and the adjustable running speed and microphone sensitivity complete the package.

Logistic

EAN / GTIN: 4026397530308

Weight: 2,50 kg

Length: 0.34 m

Width: 0.34 m

Height: 0.22 m

Features:

- Precision lenses fill the room with countless rotating beams
- 2 powerful LEDs 18 W high-power 6in1 HCL RGBWA/UV
- Multi beam effect; flower effect; UV effect; Strobe effect
- Control via stand-alone; Sound to light via Microphone
- With Mounting bracket
- Program speed adjustable; color macros changing

Package contents

- 1 x light effect, 1 x user manual, 1 x power cord

Technical specifications:

Power supply: 100-240 V AC, 50/60 Hz

Power consumption: 24 W

IP classification:	IP20
Power connection:	Mains input via IEC connector (M) mounting version power supply cord with safety plug (provided)
Lamp type:	LED lamp
LED:	2 x 18 W high-power 6in1 HCL RGBWA/UV
Control:	Stand-alone; Sound to light via Microphone
Housing color:	Black
Attachment system:	Mounting bracket
Dimensions:	Width: 29 cm Depth: 28,5 cm Height: 18,5 cm
Weight:	2,10 kg
Noise classification:	Class 2 (slight noise)
Legal specifications	
Special product:	Not designed for household room illumination
Intended use:	Show effect lighting
