

EUROLITE LED WMB-8 RGB 10mm bar

Extreme illuminating power in a compact luminary!

Art. No.: 51930290

GTIN: 4026397271775

The article is no longer in our assortment.

Description:

Blinded by the light!

They are units that shine - and there are units that really shine brightly. A fact that also applies for the WMB-8 Bar, whose LEDs do possess an incredible luminosity. Another striking circumstance is the construction form of the bar, that grants an enormous flexibility. On small or even bigger stages it can either be used as audience blinder or to shine on the musicians instead. To do so, simply place the bar on the floor. A real good support, also for solo-entertainers, who will definitely take pleasure in this color- and powerful light effect. So if you ask for more brightness in your shows, the WMB-8 is always the right answer.

Features:

- 8 spots in one bar
- Equipped with 440 x 10 mm LEDs (red: 18 x 8, green: 18 x 8, blue: 19 x 8)
- Particularly bright illuminating power of the LEDs
- 14 internal programs
- Programmable color change speed, strobe effect, and fading time
- RGB color mixing
- DMX address selectable via 2 x 16 character LCD display
- 5, 8, 14, 26 DMX channels selectable for various applications
- DMX512 control possible via any commercial DMX controller
- Master/Slave function
- Rugged housing and an appealing design
- Ideal for bands, stages or solo entertainers
- Perfect in public places, main halls, lounges
- Ready for connection with safety-plug
- Locking possibility at the mounting bracket

Logistic

EAN / GTIN: 4026397271775

Length: 1.38 m

Width: 0.21 m

Height: 0.33 m

Bulky product

- Advantages of LED technology: long life of the LEDs, low power consumption, minimal heat emission, defacto maintenance free with brilliant light radiation

Technical specifications:

Power supply:	230 V AC, 50 Hz
Power consumption:	100,00 W
Dimensions:	Length: 1,3 m Depth: 12 cm Height: 29 cm
Light output intensity:	R 30000 mcd, G 30000 mcd, B 20000 mcd
Beam angle:	approx. 20°
Dimensions (L x W x H):	1300 x 290 x 120 mm
Weight:	7.3 kg
DMX channels:	26
LED number:	440
Legal specifications	
Special product:	Not designed for household room illumination
Intended use:	Show effect lighting
