List price: 129.71 €

incl. 19% VAT.

Description:

Perfect sound on the go

The MIB-01 acoustic box eliminates unwanted background noise and reflections, improving the quality of your microphone recordings in acoustically unfavorable environments. The lightweight aluminum housing is lined with sound-absorbing acoustic foam and features an adjustable mount for a microphone spider, as well as an adapter for tripods and microphone stands. The dual-layer pop filter in the front door helps to prevent popping and breathing noises. Additional features include smart cable routing and built-in supporting feet for use on a desk.

Features:

- Ideal acoustics for vocal recordings and podcasts
- Eliminates unwanted background noise and reflections
- Adjustable microphone arm for all types of mounts, clamps, shock mounts
- Doppellagiger Popfilter
- Interior with foam padding
- High-quality workmanship with aluminum, black
- 3/8 inch to 5/8 inch adapter
- Tripod and desk use
- The article is delivered ready to stand
- For application areas such as: Homerecording and studios
