

GAFER.PL Glove Guard gloves clip

Patented clip for PRO roadie gloves

Art. No.: 78020500

GTIN: 4026397681864

List price: 16.07 €

incl. 19% VAT.

Description:

Recommended for any stage, film, TV studio or theatre works. A handy and functional clip that will prevent the gloves from getting lost and make them remain within reach.

The clip is made of high quality plastic, does not conduct electricity, does not corrode. It has two hooks: a smaller one that can be attached to a belt loop or clothes, and a larger one for attaching gloves. Glove Guard has also been equipped with a safe tear-off system operating at a load of over 5 kg. Protects against damage caused by hanging on the clip.

Features:

- Prevents gloves from becoming lost
- Safe tear-off system
