

EUROLITE CRT-200PRO MK2 LED Curtain 3x2m

LED effect curtain for multimedia animations

Art. No.: 80503431

GTIN: 4026397523829

The article is no longer in our assortment.

Features:

- LED effect curtain with PC control
- 187 super-bright TCL LEDs (5 mm) provide for an exquisite RGB color mix
- Each LED individually addressable for displaying multimedia content, texts, dynamic light effects, color fades and animations
- Ideal as stage backdrop for bands, clubs and mobile DJs
- Water-repellent and flame-resistant curtain fabric
- Several LED curtains can be combined and run synchronously
- PC, DMX and auto control with the optional network controller
- Easily create your own content with the PC software LPlayer for stunning animations such as video loops, screen captures, logos, running lights and starry sky effects
- Loops all around for easy suspension
- Fast and uncomplicated setup
- Low weight
- Comes with practical transport bag
- Operation with included PSU
- EUROLITE CRT-200PRO MK2 Controller (No. 80503432) must be ordered separately
