Description:

Barricade and direct: Time-saving and elegant

This barrier system enables you to create queues, manage people or close off an area. Whether discotheque, cinema or waiting room: thanks to its quick assembly and disassembly, you can use the system flexibly for the most diverse occasions.

High-quality design

The posts of the barrier system are made of stainless steel and are therefore also suitable for outdoor use. The material is highly polished and looks very elegant. The belt system is self-retracting. A belt can be extended up to 3 meters. The belt pulleys are interchangeable and available in red and black.

You can connect the end of the belt either with a permanently installed wall bracket or another belt system.
