### Description:

Timeless beauty and elegance are exuded by this artificial orchid arrangement from Europalms. It is particularly suitable for window and counter decorations in the home and business.

The arrangement consists of a multi-branched butterfly orchid with graceful flowers whose petals show a play of colors from light pink to purple. Leaves made of EVA material complete the appearance. The exotic beauty was arranged on a moss hemisphere, above which its aerial roots lie loosely.

The classy character of the artificial plant is enhanced by the included black ceramic planter.
