### Description:

Whether placed on the floor or the buffet - the Groundbreaker skeleton should not be missing at any motto or Halloween party.

The animated decoration bust from Europalms is dressed in a checkered shirt, over which a coarse-meshed fabric in olive green is laid. With loud groans and moans, the skeleton monster tries to get out of the ground. The rattling of heavy chains can be heard, with which it is apparently held. Desperately, it throws its head back and forth and tries to get a hold somewhere with its hands. Its hollow skull is mysteriously illuminated in green.

The animation of the decorative figure can be activated via integrated microphone, via the switch pad "Step here" or with wired, manual control.

The power supply of the bust can be via battery operation, USB-A cable for 5 V operation via power bank or power supply unit.
