Description:

Set floral light accents in your interior design with the LED vine from Europalms. The beautifully shaped peat myrtle vine has a total length of about 180 cm and was made of real wood branches with decorative leaves made of textile. Small white plastic balls equipped with LEDs serve as a light source. The vine is delivered ready for connection with power supply and a supply line of about 3 meters. With a few simple steps, you can create a stylish, cozy atmosphere of well-being with indirect lighting.
