

SYLVANIA UV Lamp 125W E-27

An indispensable means of decoration

Art. No.: 89512020

GTIN: 5410288239705

The article is no longer in our assortment.

Features:

- Easy installation due to standardized E-27-socket
- Countless number of application possibilities
- Already existing a quite good number of years, the "black light effect" is still fascinating: White textiles and objects as well as fluorescent material brightly flash up in darkness!
- Only to be used with ballast resistor
- For further information about this product, please refer to the Data Sheet under "Downloads"
