

Features:

- More light at a same performance by higher coiled filament temperature
- Longer lifetime by permanent filament renewal (tungsten parts bond to the gaseous halogene parts even before reaching the glass bulb
- The temperature circulation has the effect that the tungsten parts precipitate again on the filament
- Constant light during lifetime, as no bulb blackening occurs
- Comfortable and fresh light
- Dimmable (blackening of the glass bulb in case of dimmed operation is eliminated by a short operating time at full voltage)
- Different illumination angles for different application areas
- Low power consumption
- Dimmable

EAN / GTIN: 4026397113273  
Weight: 0,03 kg  
Length: 0.04 m  
Width: 0.04 m  
Heigh: 0.06 m

Technical specifications:

|                     |                                                 |
|---------------------|-------------------------------------------------|
| Operating voltage:  | 12                                              |
| Nominal wattage:    | 50 W                                            |
| Base:               | GX5.3                                           |
| Lamp type:          | Incandescent lamp; halogen lamp; reflector lamp |
| Lamp specification: | Dimmable                                        |
| Beam angle:         | 12°                                             |
| Color of light:     | Red                                             |

|                             |                                              |
|-----------------------------|----------------------------------------------|
| Lead time:                  | 0 s                                          |
| Construction:               | MR-16; reflector; bi pin                     |
| Operating temperature max.: | 40° C                                        |
| Operating temperature min.: | 20° C                                        |
| Burning position:           | S180 (universal)                             |
| Lamp life:                  | 2000 h                                       |
| Dimensions (LxD):           | 81x51 mm                                     |
| Weight:                     | 0.02 kg                                      |
| Special product:            | Not designed for household room illumination |
| Intended use:               | Show effect lighting                         |
