Description:

Something for everybody. The smallest unit of this CFL live mixer series disposes of 12, the biggest unit disposes of 32 mono inputs. Normally, live mixers have faders from 70 - 80 mm. The CFL series has remarkably long faders that easily reach 100 mm. Although it is very low-priced, the series is highly resistant and by offering four subgroups and four Aux-Sends it is really well equipped. In total: powerful but not pricy.

Caractéristiques:

- 32 mono inputs with XLR sockets and balanced line inputs
- +48V phantom power per channel
- 2 stereo inputs via balanced jacks
- 2 stereo effect returns
- Insert for every mono channel
- High pass filter and 3-band EQ with semi-parametric mids for all mono inputs
- 4 groups for levelling complete signal groups (e.g. drums)
- Mutes for every channel
- 4 aux send (2 pre, 2 post) per channel for controlling the effects and for monitoring
- Separate master, group, monitor outputs
- 100 mm faders
- Precise 12-digit LED meter in subgroups and stereo master

Données techniques:

Alimentation électrique: 115/230 V CA, 50/60 Hz
