L'article n'est plus disponible.

Description:

Even for tripods there are new and further developments. The best of them have been integrated in our class winner. So no more of annoying revolving to set the height. Simply open the new clipholder, choose the height and just close it again. Benefits as the high-class manufacture, the top stability - even heavy microphones won't bring this tripod to its knees - can only be beaten by the outstanding low price.
